It Takes Two to Talk® — The Hanen Program® for Parents

Learn to help your child develop improved communication and language skills through natural, everyday interactions at home with It Takes Two to Talk — The Hanen Program for Parents. This group program uses video analysis and one-on-one time with a Hanen-certified Speech-Language Pathologist to help you maximize your child's communication development. It Takes Two to Talk is designed to help infants, toddlers and preschool-aged children overcome language delays by educating the most natural teacher in their lives: you, the parent!

The Program Includes:

- Pre-and post-program assessment of your child's communication skills
- Eight evening class sessions for parents
- Three in-home consultations for you and your child with coaching and video feedback
- Final summary report
